TOUCHING LIVES FOR JESUS

New Wedding DVD with Japanese staff and Jesus Film

MEXICO PROJECT

Exciting times are happening as Ben and Melissa prepare for a CCC mission trip this summer to Mexico City!

While our kids have some good cross-cultural experience, this one will challenge them with outreaches to students and ministry to orphans and street kids.

Please pray for Ben and Melissa and the 90 kids and leaders on their team as they help reach Mexico City.

Their newsletter can be found on our website above.

HRX IMPACT

Steve and his team in HRX are rejoicing that recently they have sent staff to Eastern Europe, the Middle East, South East Asia, and a major country in Asia. It is exciting to help send laborers into the harvest fields where the need is great and the workers are few.

Steve is also using his computer skills to improve the data base used by HRX to help us track and communicate with our staff overseas. We know from experience how important it is to get encouragement from the home office!

One of the projects Steve worked on in Japan is ready for use with Japanese couples!

Love Like No Other is a DVD that teaches people how following God's principles can lead to a wonderful marriage and it points people to our Loving God, whose Love Is Like No Other. Many young Japanese prefer to be married in a church with a Christian style wedding which provides them with a chance to hear the Gospel!

This DVD is a great counseling tool for the bride and groom and a great thank-you gift for the guests. Special life events, like weddings, are super times to help people think about life and Jesus. We praise God for this new way to reach many Japanese people for Christ.

PRAYER REQUESTS

Thank you so much for praying with us!

1. Pray for our house hunting. We may be buying, may be renting, so pray for wisdom and God's provision of the next place for our family.
2. Pray for Steve's job choice. We are considering staying in HRX, working with the East Asia Vice President's office, and working with Jesus Film's East Asia team. All are good choices, so join us in praying for discernment.
3. Pray for Ben's college placement. Florida taxpayers rolled back the tax money that supports state schools, and many students like Ben are waitlisted. Pray for God's direction.

*With love and thanks,
Steve, Rochelle, Andy, Ben,
Melissa and Josh*
