Sending US Staff Overseas

It is a joyous privilege to help fulfill the Great Commission by sending full-time workers into international harvest fields. Recently, my team and I at CCC headquarters were able to prepare and see several families and singles head out to help change lives for Christ overseas.

- ➔ Rick and Mary Lynn headed out to South Africa building campus leaders.
- ➔ Kyle and Irina went to Russia to reach out to Jr. and Sr. high students.
- ➔ Amanda ventured to Australia.
- ➔ Craig and Bridgette left for Singapore to train seminary students in Asia.
- ➔ Jordan went to work with athletes in an East Asian country.
- ➔ Sarah is now teaching missionary kids in Russia, and Emily is teaching in Hungary.
- ➔ Timothy and Jenn headed to an East Asian city to mentor campus leaders who are sharing Christ with students.

Your gifts and prayers for us are helping reach people for Christ around the world! We could never have this kind of impact without you. Thanks for enabling us to prepare harvesters for Jesus!

Our family together in California

CALIFORNIA TRIP AND SUPPORT

We had a delightful time this summer getting to see Steve's family, our oldest son, Andy (now at Cal Poly Pomona), and our precious ministry partners in southern California. It was very encouraging to visit with all these folks, getting to spend good time together after what seems a long time away.

We really enjoyed helping out with the VBS at our home church, and visiting Sunday School classes and Bible studies. It was great to get to see what God is doing there!

We are working on a goal of raising an additional \$2000 in monthly support, and about \$300 of that has been committed so far. We will be working primarily on raising this additional amount through the fall. Steve will likely be traveling to Texas and Pennsylvania/New Jersey as we seek to add more partners to our team. We really need your prayers for God's provision so our family can return to full time ministry!

Now we are back in Orlando for this next year. Our family is settling into the fall routine. Ben has started at Valencia Community College, and the other kids in the public schools. Please pray that we can shine our light for Jesus in all that we do. Thank you for your support and prayers for us! We appreciate you so much!

MEXICO REPORT

Melissa and Ben had a great 5 weeks in Mexico City with 90 summer project members who are also missionary kids. One Mexican pastor there said he'd been praying

for years for his students to go out and share their faith. As a result of our mission trip, they're now planning events, doing evangelism, knocking on doors, just because they were so encouraged by what our students were doing.
