### REACHING JAPANESE ONLINE

Did you know that I can reach Japanese with the Gospel while living in Florida? I can by sharing God's love in Japanese using email, responding to people who write in with questions about knowing Jesus!

Campus Crusade has many websites that share the gospel. Some are focused on student issues, and others share directly how to believe in Christ. All of these result in millions of visits and thousands of responses a year.

So CCC has developed a ministry called **Global Media Outreach**, whose focus is getting the gospel out easily to the millions of people online and connecting personally with those who respond.

They do this through a variety of websites in the 14 major world languages

covering 95% of all the people who are now online! We are truly reaching the world!

**I lead a group of volunteers** who respond to Japanese visiting these sites.

The exciting part is that many people come to trust in Jesus through these sites. For example, just to-

day Seio from Isuzu, Japan wrote to say that **she had prayed to receive Christ for the first**

**time, and that she wanted to know more about God's Son!** We are receiving many responses like this each month from Japan.

It's encouraging to respond to them

with helpful follow up information, as well as answers to questions they have, like, "how do you know which prayers are answered and which are wait or no?"

We really have a heart to help those who are reaching out online to find God. We can provide answers, online followup, and links to other growth materials.

If you would like to join us as an online volunteer,

answering 3 to 7 emails a week, just a few minutes of your time,

let me know. I'd be glad to introduce you to a volunteer team leader in English (or whatever language you are fluent in).

Thanks as always for being part of our ministry through your prayers. Pray that the Lord will use us as we minister to Japanese online and help connect them to the Savior! We love and appreciate you so much.
