Summer is for traveling! We are looking forward to seeing many of you who live off our usual beaten path as we travel to Colorado this summer for the biennial All US Staff Conference in Fort Collins, CO.

Please be in prayer for these travels and visits and for the 2 conferences in which we will participate and serve the staff.

STILL WATERS

2 years ago we returned to the US and this conference was a special blessing to us and our children as we had time to process our grief and anticipate our future serving the Lord in a new place and way. It was so helpful to us as we had caring staff to meet with us and listen to us. There was also a wonderful program for our MK teens and Joshua too!

This year we will be there to help other missionary families who are on furlough or are transitioning back to the US. We will be leading small groups and Rochelle will be in charge of the Kid Care for 23 children, ages 6–8, including our Joshua. This year's conference will actually be twice the size of the last one!

Please pray that we will bless and en-

courage and build up these special folks who are coming from all over the world!

STAFF CONFERENCE

Every other year all the staff in the US (and those back from overseas) gather on the campus of Colorado State University in Fort Collins. Our praise and worship raises the roof of Moby Gym, as over 5000 US staff members

cry out to God with joy over what God has done and with prayers for greater fruitfulness.

We are also excited to connect with some of the laborers who were sent out around the world by Steve's Sending Team. We enjoy any chance we have to meet face to face and learn how to better support them from the home office.

Please join us in prayer that the Lord would meet us all at our staff conference. Pray that we all will be renewed in spirit and purpose, prepared and directed in our next steps, and drawn closer to the Father who loves us.

Pray also for our family as we serve the missionaries during this time.

Thanks so much for being part of our ministry through your prayers! We love and appreciate you so much!

With love and thanks,

Steve, Rochelle, Andy, Ben, Melissa and Josh
