Evangelism Using Films

Rochelle with Magdalena study group.

“MAGDALENA” FILM STUDY

The film “Magdalena” tells the story of Jesus narrated by Mary Magdalene. CCC has produced a Bible study book to accompany this film which focuses on Jesus’ encounters with women of the Bible and how He met their needs. Rochelle recently enjoyed leading this study for a group of women at our church here in Orlando. Together we studied how Jesus forgave the woman caught in adultery, provided for the Widow of Nain, healed the woman who had been bleeding for 12 years, satisfied the thirsty Samaritan woman at the well, etc. We understood that Jesus does forgive, provide for, heal, and satisfy our inmost longings today. We all were encouraged in our faith in Jesus and grew to be good friends through the study.

This film was originally produced to help reach women in the Middle East with the wonderful love of Christ. God is using this tool in amazing ways and we hear reports of thousands of women whose lives are being changed by Christ there!

If you would like more information about this film and the study guide, please check out the site www.magdalenatoday.com.

“DAMASCUS” FILM TOUCHES MUSLIMS

Just a few months ago, in one of the most closed countries on earth, GOD did an amazing thing! A new film was created by our staff in the Middle East about the transformation of the Apostle Paul in Damascus. Famous Syrian actors starred in the film and it premiered in Damascus to an audience of 1100 people. Many high government officials and

SCENES FROM “DAMASCUS”

celebrities attended the premiere. People all over Syria are talking about this film that tells the story of one of the greatest moments in history that happened in their own country. This moment was when Paul was changed from a persecutor of Christians to possibly the greatest Christian missionary who ever lived!

This new film is already translated into various languages used in the Middle East. The film premiered in other nearby nations as well. Many Central Asian nations show a surprising receptivity to this film, and it is even being shown on TV in many of them! God is using this film to bring the good news of Christ to Muslim peoples!

Pray that our staff in this area will help connect the interest people have in the film with opportunities to

learn more about the transforming power of the One who changed Paul's life.

SENDING INTO DIFFICULT FIELDS

Our team is also sending US staff members into these and other challenging areas of the world. For example, we are sending a couple who will develop a business in their country which will open doors for Jesus to shine

through them. As God works, they will enlist others to join with them to influence their country with the Gospel. Although we cannot disclose details, we are so excited that you together with us are active partners in helping build spiritual movements everywhere!

Thank you for partnering with us in this ministry of sending laborers. You are helping to change the world for Jesus!

*With love and thanks,
Steve, Rochelle, Andy, Ben,
Melissa and Josh*

BEN ON THE MEND

Thank you so much for praying for our son Ben. His jaw surgery happened on May 10th and it took 5 hours instead of the expected 2 to 3 hours. As you can imagine, we were wondering what was happening! The doctor encountered some "technical challenges" which caused him to have to remove a little more bone to complete his planned changes. When it was done everything turned out well. Ben is home recovering after spending one night and 2 days in the hospital. Of course, he cannot chew food the first few weeks, so we are serving him liquids, milkshakes, pureed soups and pureed versions of our meals. Please pray that he will not lose much weight through the recovery time!

CLARKS SUMMER PLANS

This summer our family will be visiting in California. We expect to be in Orange County for the latter part of June through mid-August. We are looking forward to seeing our son Andy and his girlfriend, our family, and our ministry partners there! We also are excited to share about what God is doing through CCC internationally, and to participate in many activities at our church in Yorba Linda. Please ask God to provide housing and a car for us to use during that time. If you have any ideas on that, please call Steve's cell at 407-883-9149, or email clarkfamilyorlando@gmail.com. Thanks!
