VOLUNTEERS MAKING AN IMPACT

Our volunteer crew this spring at Headquarters.

VOLUNTEERS HELP THE CAUSE

One way we are getting people into God's harvest is by involving them as volunteers. My team helps coordinate the work of volunteers at our Lake Hart headquarters.

During the peak times of the year when the "snowbirds" from the northern states travel south to spend their time in warmer Florida, we may see as many as 40 volunteers in one day! Our team places them to work in departments of the many ministries at headquarters. Some are using special skills, or working on the grounds, or doing whatever is needed.

In one year the volunteers help save the ministry over \$200,000! One of their projects was packaging the new evangelism tool, "Soularium" (see note). Their work on 15,000 copies made those tools less expensive for

the college students who use them.

This past year, our team led 5 volunteers to faith in Christ as they began working with us! One of those was a woman from a Buddhist background who hadn't had any idea about Jesus or who He is. It is a privilege to help the volunteers believe in Jesus!

Rochelle and her mom, Esther, met with a volunteer coordinator during Esther's visit with us. They even helped out by folding bilingual 4 Spiritual Laws booklets that will be used by MK2MK staff and students in Ethiopia this summer.

I invite you to consider volunteering as part of a Florida vacation. We would love to have you include us! Check out the volunteer opportunities on the ccci.org website.

VOLUNTEERING TO FEED HAITIANS

Recently Headquarters staff and family members worked together during two days in 90 minute shifts to pack food for Haiti. A big tent was set up between Lake Hart's two main buildings.

Together we all packed 104,000 meals! We put chicken flavoring, dried vegetables, soybeans and rice into a bag.

Rochelle, Josh and Steve

Then it was weighed, sealed and boxed. Each bag contained enough to feed a meal to 6

people. The packing event was sponsored by GAIN (Global Aid Network) and Kids Against Hunger. Lots of meals are ready for shipment to Haiti!

CLARKS IN CALIFORNIA FOR THE SUMMER

Steve and Rochelle, Melissa and Josh will be visiting our family and friends in southern California from June 21th to August 13th.

We are asking God to lead us to believers who want to see the Gospel taken around the world through CCC! Please help us by prayerfully considering who you know who would be excited to hear about our ministry sending laborers into the Harvest Fields. We look forward to meeting new friends and church members in CA!

We are so thankful that friends have offered a house-sitting opportunity for July and a car to use for the summer. We still need a place to stay for June 21-30 and for August. Please join us in prayer for God's provision for those needs. If you have any ideas on that, please call Steve's cell at 407-883-9149, or email at clarkfamilyorlando@gmail.com.

We are so grateful for all of your prayers for God's work through us and for our family as we follow Him. You are such a blessing to us! Many thanks!

*With love and thanks,
Steve, Rochelle, Andy, Ben,
Melissa and Josh*

BEN IS RECOVERING WELL

Thanks for your prayers for the recovery of our son Ben. One month has passed since the surgery and he is still on a liquid, no-chew, diet. He is pretty tired of the pureed soups and foods, but he still has a few weeks to go. But he is recovering well!

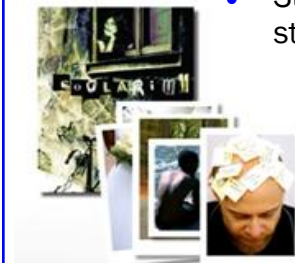

We are so glad to see his wonderful smile! Hopefully early next year the braces will come off for good.

ABOUT SOULARIUM

Soularium is a packet of pictures and a set of questions that students and believers are using to help engage people in spiritual conversations. Check out the link for:

- Stories and videos from students
 - Samples and responses
 - Your own copy
- I have written a post about Soularium on my website here:
