## YOU ARE IMPACTING THE WORLD THROUGH US!

### NEW MISSIONARY ON THE FIELD

We want to introduce you to Jenny (not her real name) who arrived in France this past April! She is very special to us as Steve's team sent her and Rochelle coached her weekly during her ministry partner development time. It was so exciting to see how God equipped her for the mission He has for her!

She will spend one year with CCC's team there that directs our ministry to people from North Africa and the Middle East. She has also gotten involved in local outreach with her team, and she is learning and laughing as she adjusts to life in Paris. She recently bought a bicycle and finds her daily commute and grocery shopping much more convenient now!

Jenny uses her skills in the office to arrange travel plans for our leaders, organize conferences that provide training and encouragement for our staff in these nations, and even handles the finances for the ministry of one of the countries in this region. During one conference for church leaders, copies of the Jesus film in that local dialect were distributed to 23,000 people! Many of those people were hearing of the love and sacrifice of Christ for the very first time!

Jenny has also gotten to travel to some the countries in the Middle East, including the land she was born in, where the Apostle Paul traveled and planted churches thousands of years ago!

It has been so exciting for us to hear of the impact that Jenny and the team there are having in this very hard to reach region of the world. We know that God is at work touching and changing lives through their efforts and obedience.

**Jenny getting around her new Paris base of activity.**

We pray that through this year of experience in missions that Jenny will find her niche and calling. Perhaps God will lead her to a long-term assignment with Campus Crusade for Christ. We are in awe of how the Lord works to change short-termers into life time servants of His in the mission fields of the world.

Thank you for allowing us the privilege of being part of God's Harvest as we send out new laborers around the world. Your prayers and gifts make our work and Jenny's mission, possible! We appreciate you!
