NEW SHORT TERM STAFF HEAD FOR THE FIELDS

YOUNG CHRIST-FOLLOWERS CROSSING CULTURES AS LIGHTS FOR CHRIST

As I (Steve) head back into my HRX Sending Team leader role, many of the young people our team has been preparing over the last several months are getting on their planes for their 1-year STINT assignments overseas. It is encouraging to see how our team's work will pay off through the fruit of these sent-ones! Thanks for being partners with us to help them go.

**Back row: Katie, Irene, Flor (AIA Argentina staff), Joe, Jess, Marnie, Becca, Joy (AIA U.S. Staff).
Front row: Chris, Erica, Lauren from our HRX team.
They were trained at the August STINT Briefing.**

Katie, Erica, and Marnie are headed to Mexico to work with the Athletes in Action basketball ministry there. They will arrive in September. *Joe* is also heading to Mexico and will work with the AIA baseball ministry. He leaves in early January.

Chris and Irene will be working with AIA in East Asia. *Chris* left for his year straight from the Briefing in Chicago and *Irene* will leave soon. *Jess* also left straight from the Briefing for the Middle East to work with the AIA basketball ministry.

Becca will be heading to the Czech Republic mid-September. She will help develop an AIA ministry at a local sports university.

We are sending STINTers for other ministries besides AIA, some of whom have now arrived at their assignments..

Tiffany (who Rochelle coached) arrived in Slovakia in June. She is serving our campus ministries there in an administrative role. She also helped with an English camp for high school students in July. They saw 46 students give God control of their lives and accept Jesus as their Savior!

Thanks so much for your prayers for our work and our family!

Scott and Eve reported to Albania in July. They are working in the national office in administrative roles. *Megan* arrived in Hungary in August for her STINT. She is teaching third grade at the International Christian School of Budapest. Finally, *Corrie* is now in Hungary for her STINT as a graphic designer in the Eastern Europe regional office in Budapest.

Praise GOD with us as these folks make their impact for Christ!

With love and thanks, Steve, Rochelle and family
