

“I WOULDN’T BELIEVE IF I WASN’T THERE!”

Lei, a Cru Staff in Asia, continues, “In 43 years of sharing my faith, I have not seen results as we saw in Indonesia. This happened during training for staff representing all regions of Indonesia held on September 8 – 17, 2014.

Nora and I shared Christ with Eva and Tia. They prayed to receive Christ. Jane joined us so we asked Tia to share with Jane. She did and Jane prayed to receive Christ.

Later that day, Tia told her boyfriend, “I received Christ today and He is changing me. I think if you receive Him too, our troubles will be resolved.” She then shared Christ with him.

Eva led two friends to Christ that day. She shared Christ with Janet. The next day, Janet led Lena to Christ!” Pictured is Janet sharing with Lena.

This is what we desire multiplication to look like! This is not what is normally seen in 7 -10 days, but does give hope in the midst of all the turmoil in the world. God is bringing people to Himself.

Our Sending Team worked with Lei when she and her husband, Bob, desired to return to Asia a few years ago.

Thanks for making multiplying disciples around the world through helping prepare and send missionaries like Bob and Lei and by praying for us as we work to prepare them.

One of the missionaries getting ready now is our son Ben! He is driving across the country to California where he will continue meeting partners and getting ready for college ministry in Fullerton, CA. He and his fellow staff and special friend Quinn will be working near each other and considering God’s call in relationship and to ministry in Japan. Please pray for them with us, that God would bless, provide and direct their steps as they pursue full time ministry with Cru.

*With love and thanks,
Steve, Rochelle and family*
