

A MILLION STUDENTS

On July 16th, 2016, a million young believers will gather TOGETHER on the National Mall in Washington, DC, to unite to make a difference for Christ in this nation and the world! Declaring “We believe! Jesus changes everything!” they will join in prayer, worship, hearing from key speakers, and will consider next steps as they put Jesus in the center of their lives.

Information about the event is here: reset2016.com

We are very excited about the potential of this gathering to change the lives of many young people. Please pray with us that God will call churches, youth groups, college students and young adults to go and join this movement. Pray that the Lord will touch the hearts of everyone who participates and lead them to follow Jesus and trust Him with their lives. Let's ask God to empower this generation to take the Good News to their world and to the ends of the earth!

Cru has been invited to lead in the evangelism training portion of the event. We hope that many students will engage with the training and then head home reset to step into God's opportunities to love people and share the good news. This training is available now at cru.org/reset. Feel free to check it out and share the website with others!

Pray for me (Steve) as I am responsible to give direction to the Opportunities section of our website, Cru.org. There we will present hundreds of ways people can engage with Cru to serve the Lord. We will highlight US Missions, Internships, and Global Missions that those gathered at Together 2016 may want to explore as they step out in faith after this event. It's exciting to consider the thousands of students who will give their lives to follow Jesus as God moves through this gathering! Thanks for partnering with us that the whole world may know Jesus!

With love,
Steve, Rochelle, and Josh
