

## THE SENDING TEAM SERVES NEW STAFF

**Sending and Recruiting Team 2016**

Our team is a wonderful group of staff with a lot of experience in ministry and in caring for staff. Last year our team sending non-campus staff worldwide added leaders from the campus ministry and trainers so that we now send all the US staff and interns.

Our recruiters respond to many requests about working with us. They help serve recruiters in each of the ministries in the US, providing material and info to connect people to opportunities.

One team helps our ministries hire hourly and salaried personnel needed in specialized positions. They keep us in compliance with federal law.

The largest group are the applicant liaisons who work with all new staff and intern applicants, about 500 every year! Our team helps them complete our intensive application process, and when they are accepted the team prepares them for training.

Others on our team organize the new staff training conferences and times of preparation for those going overseas. Some counsel with those couples who are of different nationalities.

We connect with new staff transitioning from internships, as Steve did in this picture with guys back from East Asia, Ecuador and Italy.

You are helping thousands hear the gospel by investing in us as we get these new staff ready for ministry! Thank you for trusting God with us!

### Prayer Requests

—Steve is working through a long term project to bring all of Cru's opportunities into the Cru.org website working with leaders from our wide variety of ministries. Please pray regularly for unity, wisdom and the leading of the Holy Spirit throughout the project.

—Pray for the Sending Team as we serve the hundreds of new staff who start work with Cru every year. Pray we may show the Lord's love and grace to each person we serve.

—Pray for Rochelle's work with the Cru Middle School club at Josh's school each Friday. Pray for the hearts of the kids to be open to God's word.

Thanks so much for your prayers!

*Blessings in Jesus,  
Steve, Rochelle, and  
Josh*
