

November 15, 2025

Dear

We are very grateful for your partnership in helping us send out new workers for the Gospel who were brought to faith and disciplined on campuses across America. Cru's Campus Ministry staff are seeing great openness to the Gospel and a strong desire to grow in faith among students this school year. We thank God and give Him all the glory for this hunger to know God!

One aspect of campus ministry is to reach out to the many international students there. As we send out staff members, they often find that students from other countries are very interested in learning about Christ and His offer of salvation. Andrew from our Boston Cru team shared this story of the impact they can have.

*"Keyven, one of only 18 students from Mozambique studying in the U.S., dreams of becoming his nation's president. He is now a senior at Bentley University. Through the experience of discipling Keyven these past four years, Boston Cru staff member Andrew considers these dreams realistic."*

*For a couple of years, Keyven's Venezuelan roommate, Edgardo, passively watched Keyven's life and words testify of Jesus. This fall, Edgardo's interest ramped up to active curiosity. He decided he wanted to go with Keyven to the weekly Cru meeting."*

*At Keyven's request, Andrew agreed to meet and share the gospel with Edgardo afterward. "With each verse and concept, he got hungrier and hungrier," noted Andrew. Understanding Jesus' sinless life exchanged for ours, Edgardo's concern that he couldn't be "good enough" disappeared. He marveled, "So this is what Keyven meant...about Jesus being the bridge."*

*Gratitude flowed as Edgardo trusted in Jesus, along with hugs. Now, during his shift at the Student Center help desk, Edgardo reads the study Bible gifted to him. He also passionately shares his newfound faith at Cru meetings. A few weeks ago, a student from Japan expressed how deeply influenced he was by Edgardo's story."*

*Three young men from three different countries are learning to live in the light of God's love."*

The impact these young people can have back in their home countries is amazing to consider. God is always working, making these special connections as staff and students step out in faith to share and live out the gospel! We are glad to be part of this work by sending out the new Cru missionaries and helping staff discover the different places they can serve the Lord. We appreciate so much your prayers for laborers in God's harvest.

To see more staff and students sent to reach the world, we trust the Lord for the financial resources needed for our work with Cru. This need covers travel, healthcare and ministry expenses, an additional \$20,000 in year-end giving. Would you prayerfully consider giving a year-end gift of \$200, \$300 or some other amount? You can give online at [www.give.cru.org/00257817](http://www.give.cru.org/00257817). If you prefer to give by check, make it payable to Cru and send

it back to us in the enclosed envelope, along with the response card, postmarked by December 30<sup>th</sup>. Please let us know how we can pray for you and your family on your response card or by email. We love hearing from you!

It's encouraging to see students having opportunities to hear the good news, learn to share their faith, and try a year or two with Cru right out of college. We believe your investment in God's work through us is helping change the world one person at a time. Thank you for your partnership in sending more disciples of Jesus to share His love and good news with so many. May the Lord make you fruitful throughout this Christmas season.
